1:30 – 4:00 p.m.
George R. Brown Convention Center, Rooms 310 F & 320 C**

This forum will facilitate lending opportunities to minority and women business owners (MWBES) for working capital needs on public and private sector contracts as well as increase the lending community's awareness and understanding of the capital needs of MWBEs for this purpose. Networking opportunities between HUBs, MWBEs, and financial institutions interested in providing working capital loans will also be available.
